The 2012 Rotary Navigation Walk was held on Sunday 1st April. It was a beautiful, sunny Spring day and another fabulously successful day. We had over 350 pre-registered walkers and quite a few extra walkers who registered on the day.

As sponsorship money comes in we will update you here on progress and let you know when and where presentations will be made to the four hospices.

Navigation Walkers pictured enjoying a well deserved reward after their walk to the Leggers Inn, Mill Street East, Dewsbury are: Lynne Stainthorpe, Robert Gosling, Liz Kennedy and Steven Kennedy.
