Thank you for continuing to donate your unwanted spectacles which we deliver to Ruth Perrott an optician in Castleford who measures the prescription and ships your old specs to Malawi.

Project Malawi was founded in 2003 by David and Gillian Mason who are Local Preachers in the York South Methodist Church Circuit. They are also Area Regional Directors for Community Bible Study International and it was during their work in trying to bring the Bible to

villagers that they realised that many were not only illiterate but had physical problems in reading. They set up a Vision Team and Ruth became a founder member.

Ruth with friends and colleagues visit villages in Malawi, setting up eye clinics and dispensing your old spectacles. The delight on the faces of the villagers is emotional and hard to ignore especially when one old chap took Ruth by the hand and said
